

# SAMRUDHA SHINDE

7022164337 samrudhashinde07@gmail.com linkedin.com/in/samrudha-shinde-730a2528b Kolhapur, Maharashtra

**SUMMARY** — Frontend Developer with over a year of experience in creating responsive and easy-to-use websites using HTML, CSS, JavaScript, and React.js. Good at designing clean user interfaces, improving user experience, and making websites work smoothly. Comfortable working with frontend tools, using Git for version control, and connecting websites to APIs for dynamic content.

## EDUCATION

<b>Master of Computer Application</b>	2022-2023
– KLE Institute of Technology, Hubli	
<b>Bachelor of Computer Application</b>	2018-2021
– KLE's BCA College, Hubli	

## CERTIFICATIONS

- Machine Learning - Internship Certificate

## WORK EXPERIENCE

<b>The DataTech Labs, Pune</b> <i>Software Engineer</i>	June 2024 – Nov 2024
– Utilized version control systems effectively, ensuring smooth collaboration between team members on shared codebases. – Supported teammates in overcoming technical challenges, and sharing knowledge and expertise for mutual growth.	
<i>Software Engineer Trainee</i>	Nov 2023 – Aug 2024
– Gain hands-on experience in web development, programming, and version control. – Engage in events to enhance skills and promote growth. – Develop practical expertise through live projects and collaborative opportunities.	

## TECHNICAL SKILLS

<b>Front-end Technologies</b> HTML, CSS, JavaScript, Bootstrap, ReactJS	<b>Programming Languages</b> C++, Python (Intermediate)
<b>Database</b> MySQL	<b>Version Control</b> Git/GitHub, Postman API

## PROJECTS

<b>1. Talent Management as a Service (TMaaS)</b>
– I played a key role in the TMaaS project, utilizing Django for the back-end development and React.js for front-end implementation.
– Implemented core functionalities including ATS, on-boarding, learning development, performance management, and succession planning.
– Leveraged AI for resume parsing, candidate ranking, predictive analytics, and performance optimization.
– Ensured robust data security and compliance through advanced cloud security measures.
– Delivered a customizable solution with seamless integration capabilities to meet diverse business needs.
<b>2. Kids Play Zone</b>
– Designed and developed Kids Playzone website using Python Django and React.js.
– Created admin panel with employee management, inventory tracking, and dynamic charts using MySQL.
– Integrated APIs for seamless data fetching and optimized user experience.
– Implemented scanner technology for efficient check-in/check-out in the wallet panel.
– Utilized Bootstrap for responsive design and JavaScript for enhanced functionality.

### **3. Pitch Planner**

- Developed a web application for cricket enthusiasts using React.js.
- Styled the application with Bootstrap, HTML, and JavaScript
- Integrated live score functionality using an API for real-time updates
- Created a user-friendly interface to engage fans with the latest cricket action

### **4. Football Player Rating Prediction**

- Used Python and Machine learning for analysis.
- Built the web interface with HTML, CSS, and JavaScript.
- Created a system to predict football player ratings from historical data.
- Helps clubs, scouts, and fans with talent evaluation and team optimization.
- Provides insights to improve team performance and player recruitment.

## **PERSONAL DETAILS**

---

**Date of Birth:** 21 April 2001

**Gender:** Male

**Languages Known:** English, Hindi, Marathi, Kannada

**Permanent Address:** 1778 A Ward Sakoli Corner Kolhapur.

## **DECLARATION**

---

I hereby declare that the above-furnished details are true to the best of my knowledge and belief.

**Date:**

**Place:**

**Name:** Samrudha Shinde
